## Sustainability and Social Responsibility

TBC Ingredients supply sustainable products, and for every day the demand gets bigger and bigger.

TBC Ingredients as well as our supplier of palm products, Olenex, is a member of the Roundtable on Sustainable Palm Oil, RSPO, and is diligently working for sustainable certification of plantations, mills and refineries. We offer RSPO certified oils as, "Mass Balance" and "Segregated" products both from Asian and European factories.

Our cocoa producer, is a member of the World Cocoa Foundation in order to support protection of human rights, avoid child labor and assist in developing sustainability and social standards in the plantations around the globe. We offer UTZ certified sustainable cocoa products.

We can offer full traceability on all our edible oils, cocoa products and ingredients supplied to our customers from around the world.

## TBC Ingredients

TBC Ingredients ApS was founded in 2004. The knowledge and experience in the field of food and ingredients has been built up since 1995. The company is situated in Odder, Denmark, and supply ingredients for the food industry to Scandinavian and European customers.

TBC Ingredients supply edible oils & fats, cocoa, coconut products, dried fruits and other ingredients to our clients who produce chocolate, confectionery, dairy products, margarine, bakery products, convenience food, ice cream, snacks, chips, cosmetics and animal feed, etc.

TBC Ingredients has a strong and reliable partnership with producers in Asia and Europe. Our producers are focused on making the highest quality ingredients and sustainable production.

The experience within ingredients doing business more than 20 years gives TBC Ingredients a solid foundation for offering superior customer support.

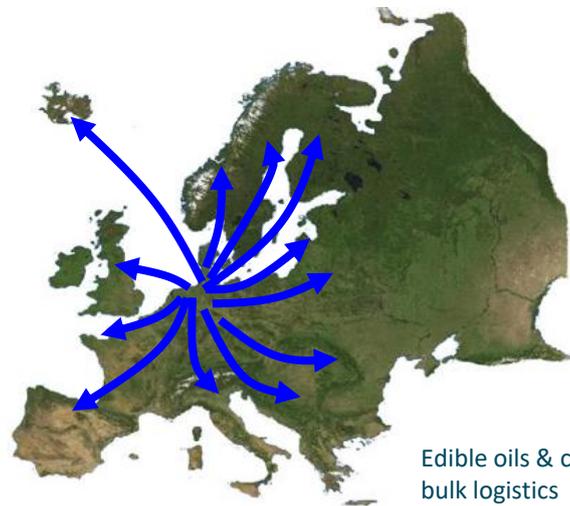

We aim to be best in class on servicing our customers, and we are never more than a phone call away.

## Supply Chain

TBC Ingredients supply packed oils & fats, cocoa, coconut products and other ingredients in bags, cartons, drums, etc. directly from Asia and our bulk products comes from all over Europe, where the refineries/factories are situated.

We have the experience in handling logistics across the globe.

TBC Ingredients know how to find and get the right quality products to you in right time and at the best price.
